(Shofar sounds or different horns)

VERSE 1:

Hear that? (Horn)

That is the sound of renewal. (Blast)

Hear that?

That is the sound of repair. (Blast)

How does the new year call you?

What gives you pride and regret?

Do you hear that?

This is how we reset.

CHORUS 1:

Woahhh woahhh

VERSE 2:

Wake up

Wake me from this sleep, (Blast)

Oh, I'm waking up

It's time to search my deeds. (Blast)

Where have I stumbled?

How can I redirect?

My book's sitting open

That's how I reset.

CHORUS 2:

(Group 1)
Woah....woah....

(Group 2)
(wake up, wake up)

(Group 1)
Woah....woah....

(Group 2)
(wake up, wake up)

BRIDGE

(GROUP 1)

What do you hear?

The sound of a new year

What do you hear?

The sound of a new year

[GROUP 1 continues] What do you hear?...

(GROUP 2:)

What'll we do?

What'll we choose?

How to improve in the new year?

Time to review, Time to renew

Put down the truth in the book that is open today...

CHORUS 3:

(Group 1)
Woah....woah....

(Group 2)
(wake up, wake up)

(Group 1)
Woah....woah....

(Group 2)
(wake up, wake up)

(Groups 1 and 2 continue)
(Group 3 adds)

Wake up to your purpose

Hit reset somehow

What cries out for your service?

You write the story now

Life is not predetermined

No one's path is set

Right here in this moment

We can hit reset
