We recommend that you send inexpensive articles. Please do not send electronic games. MONEY IS NOT NECESSARY – you may send a few dollars in quarters or \$1 bills for sodas.

Make sure that your child is aware of all items brought to camp.

We recommend that your child help pack his / her bags.

Please feel free to adjust where necessary to your child's specific needs.

We recommend that your child pack in a large duffel; hard trunks will not fit under beds.
