

# Noar After School Program

Hello,

Enclosed is the 92Y Noar After School Program's Spring 2013 Registration Packet. Our Spring 2013 Semester begins on Monday, January 28, 2013 and ends Friday, June 14, 2013. **Note:** *The Spring semester ends 1 & 1/2 weeks before the public school year ends. Also, the Noar Program does NOT provide transportation on half days of school; however, Noar opens on half days at 3pm. Please consider this and look over the Spring 2013 Calendar prior to completing your child's registration.*

**Please read over the entire packet before completing the paperwork. When selecting a course for your child, it is important to note a few important things:**

- Requests to Change or Add Additional Days to Your Child's Spring 2013 Schedule  
During the spring priority registration period, you can register your child for the same days of clubhouse and transportation that your child had during the fall semester and your child's space in these services is guaranteed for the spring semester, though this guarantee does not apply to the classes you select.  
If you would like to change one or more of your child's days, you should submit your child's registration form before or by the Dec 20 deadline like all other returning families. However, the requests to change days and/or add days will not be processed until after priority ends. Once priority ends, all requests to change days and/or add days will be made in the order your child's spring registration was received. *The days that are not changing will be processed immediately.*
- Consider the start time of the course and if it works with the amount of time it takes for your child to travel to the 92Y Noar Program from his or her school. Please give your child 30 minutes from the time he/she is dismissed from school to the time he/she arrives to 92Y. **Note:** The 92Y Noar Program does not provide transportation for children participating in their school's extended day program.
- 92Y Noar After School Program runs over a 20-week semester, but courses run on their individual department schedules and have between 14 and 19 sessions depending on the day of the week. The dates and number of sessions for each course is listed in each department section, as well as on the Spring 2013 calendar. **Note:** The children still receive transportation from school, and participate in Clubhouse activities and the Homework Room on days when courses are not in session.
- All fees are listed on page 12 of this packet. All fees are per semester.

**You must submit the following to complete your child's registration:**

- Spring 2013 Registration Form (**due by Thu, Dec 20**). We begin looking at requests to change or add additional days on Fri, Dec 21, though you should still submit those changes on the registration form before or by Thu, Dec 20.
- You do not need to submit new Emergency Contact Form or Health Form at this time.

Please feel free to call with any questions that you may have.

Sincerely,

There are accompanying art projects like winter "bonsai" trees and ice cube color mixers.
