

Camp Yomi / Yomi-lectives

Two afternoons each week, campers in **Unit 3 & Unit 4** enjoy in-depth participation in a specialized activity of their choice. All Unit 3 and 4 campers must select a Yomi-lective for their session dates, since all campers are involved with electives during the designated times.

SPORTS ELECTIVES

Basketball

Improve your current basketball skills & develop new ones through a variety of drills & games. Dribbling, passing, shooting & defense, we'll cover the whole court!

Gymnastics

Learn how to tumble, balance, jump and twist with confidence using expert gymnastics equipment. From the balance beam to crash mats, take your gymnastics skills to the next level!

Golf *

FORE! Develop beginning golf skills at a nearby driving range. No previous experience is necessary. Clubs will be provided.

Soccer

Pass, shoot, SCORE!! The goal is to learn the basic skills and rules of the game. Enjoy playing soccer with your Camp Yomi friends and Super Soccer Stars.

Baseball

Strike one! Strike two! It's outta here. Learn the skills needed to play baseball with Baseball Center Pros. Pitching, catching & visits to nearby batting cages will surely enhance your skills!

Tennis*

Learn form, ground strokes, service & rules of the game on the beautiful Merrit Clay Courts (5 minutes from the campgrounds). There will be drills & play time each day. Tennis racquets & shoes are required (no sandals or crocs).

Flag Football & Floor Hockey

Spend one day a week learning the basic concepts of how to play football like the pros (minus the tackling and contact). Develop passing and catching skills, run and play games. The other day, Yomi-lective campers will get a chance to work on floor hockey skills, which include passing, shooting and scoring! Maybe even score a "perfect" hat trick!

Skateboarding

Think you have what it takes to 'ollie', rock the halfpipe, or do a kickflip? Our program will help you kick up your boarding skills to a whole new level! We will provide the skateboard, helmet, knee & elbow pads, and wrist guards.

PERFORMING ARTS ELECTIVE

Cirque du Yomi

Run away & join the circus! One day a week, campers will learn from a professional circus artist. Tumbling, juggling, and joking are just a few of the many things you will learn. On the other Yomi-lective day, campers will get a chance to become a star! Participate in a variety of theatrical games and activities.

Dance

Whether it's hip-hop, modern, or jazz, our campers will be getting their groove on to the fullest! Every level of experience is welcome and each camper will truly have the chance to unleash their inner 'Billy Elliot'!

SPECIAL INTERESTS ELECTIVES

Cooking

Be the next Mario Batali or Rachael Ray! Learn the culinary arts from our cooking specialist. Campers learn basic cooking techniques & make their own culinary creations.

Outdoor Cooking

A more "rustic" twist on our traditional cooking program. Campers will develop techniques preparing food in an outdoors environment, utilizing our fire pit.

Horseback Riding*

Giddy up! Learn elements of riding & grooming at Silver Rock Farms, located across the road from Yomi. NO previous riding experience is required. Helmets, long pants & appropriate closed-toe shoe are required. **This is a beginner program.** Space is limited.

Tevah/Nature

Wow! Who knew our natural camp environment had so much to offer? Campers engage in environmentally friendly projects such as fire making, exploring "Tevah Town", nature hikes, investigating our natural habitat and tending our garden.

Chess

Rook takes Pawn, Queen takes Rook, Check Mate! Play chess against your Yomi mates and counselors while learning the rules, strategies and tactics.

MORE OPTIONS ON THE REVERSE!

VISUAL ARTS ELECTIVE

Film Making

Explore the ins and outs of making movies using digital video technology. Led by one of our professional film instructors, campers will engage in the film-making process from pre-production to the "final cut".

Ceramics

"Mold" your artistic ability! Work with our ceramics specialists & create ceramic art by learning to shape & glaze. No experience is necessary & you'll produce some beautiful work by the end of the summer.

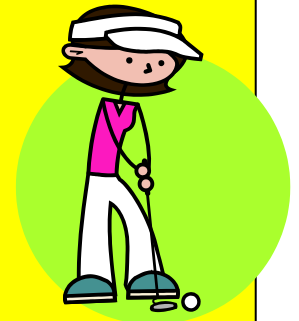

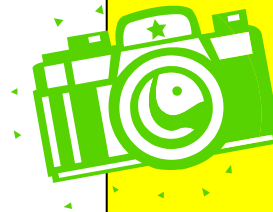

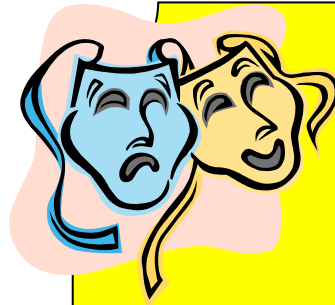

Visual Arts – Animation and Painting & Drawing

Does your child seek outlets for self expression? Art lovers will find this activity irresistible. One day a week, your camper will enjoy the art studio space... easels, sketch pads & a diverse range of creative materials. On the other Yomi-lective day, campers will storyboard and sketch in animation, allowing their artistic talents to shine!

Art Bash

Showcase your creative style and leave a lasting impression on Camp Yomi! Your camper will contribute to the permanent beautification of camp by creating and designing a large scale mural for the campgrounds to be displayed for the entire camp community to enjoy.

* Additional fee required for Horseback Riding, Tennis & Golf. See Yomi-lective Registration Form.

Dear Units 3 & 4 Parents and Campers:

Two afternoons each week, campers in Unit 3 & Unit 4 enjoy in-depth participation in a specialized activity of their choice. The list of available Yomi-lectives is attached to this e-mail. Please review all of the available Yomi-lectives with your child. Then, complete the form in the body of this e-mail with your child's first and second choice. All Unit 3 and 4 campers must select a Yomi-lective for their session dates and should plan to stay in the Yomi-lective for the duration of the session. Once complete, send the form via e-mail, mail, or fax to the camp office (specific details below). Please feel free to call me at 212.415.5646 with any questions.

Think Camp!

Lauren Wexler, Camp Yomi Director

CAMP YOMI
