

Recommend a Friend

GOLDMAN FAMILY CENTER FOR YOUTH & FAMILY CAMPS

At the 92nd Street Y Camps, we know that our campers and parents are our best advertisers. Since you spread the word to other families about the 92nd Street Y Camps, we want to extend this special offer. At the end of the summer, we'll give you a \$100 gift for each child you recommended who enrolled and paid for a minimum of four weeks for the summer of 2010. And the more children you recommend who attend, the more \$100 awards you'll receive! **If you recommend 5+ campers, you will receive \$1000!**

You may have friends who do not have 2010 summer plans for their children, and we would love to send them information about our camps. Please complete and return a form with the names and contact information for anyone who you feel may be interested in learning more about a summer at the 92nd Street Y Camps.

Please note: For this offer to be valid, the recommended child must be from a family that had no children attending Y camps in the past. Recommended families must be full paying and not scholarship recipients.

Call the camp office at 212.415.5573 with any questions. You can mail this form to us or fax it to 212.415.5668 and we'll take care of the rest.
