

**RECANATI KAPLAN PROGRAM FOR EXCELLENCE IN THE ARTS
STUDIO ART APPLICATION AND AUDITION REQUIREMENTS
2014-2015**

Students should create a nontraditional self-portrait in any medium to submit with their application. Your self-portrait should reveal something about you as a person. This submission will not be judged by technical merit, alone. This is an opportunity to demonstrate to the selection committee how you approach and resolve creative problems.

Applicants should submit a scan or photograph(s) of her/his self portrait by emailing a JPEG or PDF to art@92Y.org with applicant's name clearly stated in the body of the email, or by uploading a file as part of your electronic application. Select students will be invited for a portfolio review in June.

If submitting via email, please include:

- *Portrait title*
- *Dimensions*
- *Medium*
- *Contact information*

Applicants creating a 2D self portrait 16"x16" or smaller have the option to submit the original work in person to the Art Center office at the address below prior to the application deadline. Note that work must be mounted and wrapped to protect it from damage. Please do not bring your framed, 3-D or large-scale creations to the Y.
