Nuno Felt Art Scarf
_Instructor: Omi Gray_

The students will learn the process of interlocking Merino wool fibers, and hand-dyed silk fabric. The result will be new handcrafted textile called “Nuno Felt.” This fantastic technique will feel like a watercolor painting; the only difference is that the materials used will be silk, wool, water, and soap.

Fabric, fibers and other materials required for each student to complete the projects will be provided.

**Students should bring the following:**

- 2 towels
- notebook
- Camera/Phone to document their work
- Small pieces of scrap lightweight silk fabrics (old blouses or scarves)
