Independent Study for Beaded Jewelry
Instructor: Marsha Davis (Marsha.Davis@92Y.org)

Welcome Students,

This class is intended for independent projects, the assumption is students are comfortable working independently and have a strong working knowledge of beadwork techniques. One on one attention and demonstrations will help you concentrate on techniques, trouble-shoot design challenges, and broaden design ideas. Students are welcome to complete unfinished projects or create new ones!

Please contact Instructor prior to the 1st class to discuss projects and supplies, preferably at least one week in advance. Instructor will have some supplies available for purchase in class, please contact prior to class to make certain they are in-stock.
Suggested Suppliers
*Be sure to call ahead for supplier’s hours-many are not open on the weekends and close early on Fridays, or have amended their operation schedules due to the Covid-19 pandemic!*

Student Guidelines & Studio Rules

Studios are open 15 min before the start of class.

Do not enter any studio without your instructor present.

Do not enter a studio until the previous class has ended and all the participants have left the room and your instructor is present.

Students must leave studios after their class is over.

Do not use any tool that you are unfamiliar with as it could permanently damage the tool particularly hammers.

Only use hammers that you are familiar with like a “hardware hammer” if it doesn’t look familiar don’t use it you will ruin it.

Exhaust fans must be turned on when torches are being used or any materials is being melted.

Tools & Torches are coded with six different colors which denote the studios they belong in and their use;
Blue S353
Yellow S355
Red S352
Orange S350

**Light Blue Instructor's Box Not for Student Use.**

Green children’s classes

If you borrow a tool from another room return it at the end of class time.

Library books are for reference only please return them in their proper order.

Students are responsible for cleaning the space they have used including the soldering station and bricks and returning tools at the end of class.

This is a communal studio please help us make your time here productive by following the above guidelines.
