Art Center – p. 212-415-5562

Dear Students,

Please prepare a design ahead of the workshop/intensive that you would like printed, no larger than 8x10" with all parts of your design in BLACK ONLY with high contrast and free of very fine lines to produce ideal results. Producing multiple color, multi-layered designs will be discussed in class so that you may experiment on your own, but this introductory course will focus on producing one color designs. When you have a finished design, please email it to artcenter@92y.org no later than 3 business days prior to the start of class so we can prepare your design for the workshop.

Also bring shirts, fabric, colored paper, or anything else that you would like to print on besides white paper. All printmaking supplies provided. Students will leave workshop with prints and a finished screen to continue working at home.
