Charms and Crowns - all levels
Tue, Apr 21, 1-2:30 pm, 3 sessions, $99
Amy Haskins

Tools and supplies needed:
7-10 aluminum soft drink cans
Ruler
Scissors
Sharpie
Ball point pen
Something to make holes - Nail, thumbtack, awl
Old catalogue or phone book - something we can press into
Paper
Tape

Tools and supplies, supplemental (you can make the projects without these):
xacto knife or box cutter - easier to cut cans open with than scissors
Hand tools - pliers, etc.
Wire or bought findings to make charms into earrings, etc.
Nail polish remover/acetone - if you want to try removing the ink and plastic on the cans
Enamel paint/nail polish to color
