Illustration Portfolio II
*Online Course*

**Instructors:** Jenny Kroik

**Description:** Take your illustration skills to the next level! In the follow up class to Illustration Portfolio I students will participate in new assignments and take an in-depth look at more client-focused issues faced in the real world. We will look at marketing, self-generated projects, copyright laws, more process and a focused look at styles and mediums used in creating an illustration.

Prerequisite: Illustration Portfolio which covers sketching, composition, and other basics in working as an illustrator with a client.

**Supply list:**
- Pencils
- Eraser
- Sketchbook, 8”x10” minimum size recommended
- In addition, each student will **use their preferred medium** to complete the finished illustration. (Example: watercolor, acrylic, markers, Photoshop or digital drawing, graphite, pens, collage etc.)
