92Y VIRTUAL CAMP LIVE

CAMPTIVITIES

Arts and Crafts

Have a budding artist at home? Through a creative mix of painting, drawing, crafting, and tie dye, children will have the chance to get their creative juices flowing.

@Home Gardening with Grow Torah

Grow Torah takes the best of garden education and bring its right to your very own homes. Children will learn all about new plants, seeds, fruits and vegetables while getting hands-on experience with items you have at home.

Carpet Sports

Baseball, basketball, hockey and so much more right from your living room! Campers will use household objects to learn the basic skills of classic sports.

Chess

Come and play this timeless, treasured game. All levels and abilities welcome!

Coding

Learn to code, design, and tell stories in Scratch. Our expert coding instructor will have your children coding and designing in no time!

Cooking

Cooking will guide children through creating master pieces using basic ingredients.

Dance

Does your camper love to dance the day and night away? If so, our dance campativity will combine a touch of tap, jazz, Zumba, and Hip-Hop to keep campers moving and grooving all week long

Drumming and Sing Along

Come drum and sing with us! We'll sing and drum to the rhythm of classic Israeli songs. This campativity will be taught in Hebrew - all are welcome.

Edible Art

What could be better than combining art and cooking? Nothing! Edible Art will guide children through creating masterpieces using basic cooking ingredients.

Escape the Room

Is your camper creative, a problem solver, and love a good mystery? This campativity will have campers thinking and figuring out how to escape the room from anywhere in the world!

Fitness

Join our coaches for a high-energy non- stop fitness campativity that will keep your campers moving, gaining strength, balance, and maybe even some endurance!

Gymnastics Grades K-2

Learn the basics of tumbling, balancing, jumping and twisting with confidence with our incredible 92Y USA Gymnastics Certified staff.

Gymnastics Grades 3-5

Tumble, balance, jump and twist with confidence with our incredible 92Y USA Gymnastics Certified staff.

Jewish Culture

Celebrate the joys of Jewish life with the ATiD-Jewish Education team. Children will get the chance to take a deeper dive into learning about holidays and Jewish values through art, cooking, and interactive storytelling.

Karate

Join our black belt Karate instructor for a campativity that will teach your camper self-control and practical skills. No previous experience needed.

Lego Masters

Does your camper love to design, be creative, and imagine the infinite amount of Lego possibilities? Campers will learn new building skills and build master pieces. *Lego's required*

Little Voices

Come discover the joy of singing! Our young musicians will work with the chair of the 92Y vocal department, Ann Hoyt, as they learn the fundamentals of singing.

Living Room Baseball

Grab your baseball mitts and some socks and learn all about this beloved sport from your living room! Children will learn all the basics using household items.

Musical Theater

Have a budding actor or actress at home? Our musical theater professional will help your camper learn the basics of acting, singing, and dancing—helping them gain self-confidence and a curiosity for performing arts.

Music and Rhythm

Our music and rhythm class combines classic camp-favorite songs with a new spin. Children will learn the beats behind the music and have a blast singing along with our camp song leader!

Painting and Drawing

Does your camper love to draw and paint? We've got the perfect camp activity for them! Children will learn new technical skills like composition and proportion.

Parkour

Parkour and 92Y Ninja is the art of quick and efficient movement through the environment—utilizing techniques such as vaults, jumps and climbs.

Percussion

Let's make some noise and learn the art of percussion right from your living room. Our expert percussionist will teach all about finding the rhythm and the beat.

Scavenger Hunt

Join international super spy team as we work together to solve daily mysteries. Some clues may include finding household objects, answering trivia questions, and even learning a new move or two.

Sculpture

Empower your camper to become an expert sculpture with household items like tin foil, homemade play dough, and paper!

Soccer with Super Soccer Stars

Goal! Practice the art of dribbling, shooting, and passing with the pros from beloved Super Soccer Stars.

Song Writing

Take a deeper dive into the incredible art of song writing! Campers will learn various techniques and approaches to song writing, while working with their classmates to compose possibly the next great hit song

Sound Collage

An introduction to electronic sound design and composition. Children will learn skills and techniques such as sound recording, manipulating audio clips, mixing, and mastering.

STEM

Explore, make predictions, and learn new skills with our STEM team! Children will experiment, learn new technologies, and explore new math skills.

Tennis with Tennis Innovators

Join the pros from Tennis Innovators to learn the basics right from the comfort of your living rooms. No racket or tennis balls required!

TikTok Dance

TikTok dances have become the latest viral trend. Campers will have the chance to learn the hottest TikTok dances, as well as create some new ones of their own.

Trivia

Is your camper a trivia master? If so, this is the perfect camp activity for them. Our master game show hosts will try to stump—and hopefully not be stumped—in the game of daily trivia.

Virtual Field Trips

Missing traveling outside your home? Our incredible educators will take your children to Disney World, the Bronx Zoo, and around the world—right from your couch.

Wearable Art

Join our artist in residence as your camper takes basic household objects and turns them into the latest fashion trends.

Zumba

Does your camper love to move and groove? Join our expert Zumba instructor for a camp activity that will keep children moving and the music pumping!

Yoga

Unwind, relax, and stretch with Lil Yogis! Join us as we learn new yoga poses, practice mindfulness, and stretch our bodies.
