## CAMPTIVITIES

### Adventure Course

It's time to test your skills as we build our own obstacle course using household items! Finding objects around the house, we'll create an obstacle course for the whole family to try!

### Arts and Crafts

Have a budding artist at home? Through a creative mix of painting, drawing, crafting, and tie dye, children will have the chance to get their creative juices flowing.

### @Home Gardening with GrowTorah

Grow Torah takes the best of garden education and bring its right to your very own homes. Children will learn all about new plants, seeds, fruits and vegetables while getting hands-on experience with items you have at home.

### Broadway Jazz

Focusing on the playful, passionate, outgoing style of musical theater, Broadway Jazz weaves together fundamentals of ballet, jazz and contemporary dance to develop strong foundational technique.

### Camp Shabbat

Let's end the week as a camp community to coming together to sing some traditional camp songs as well as some Shabbat favorites.

### Cooking

Partaking in the making of food encourages children to eat what they create. Your child will create easy-to-make, healthy breakfasts and snacks such as yogurt parfaits, smiley face sandwiches, trail mix, fruit kebabs and dips.

### Creative Broadway Kids

If your little one loves to sing and dance, this fully-immersive virtual program is a game-changer. It's the perfect introduction to the magnetic and compelling world of musical theater through dance instruction, acting games, improvisation, and singing.

### Scavenger Hunt
