Camp Shabbat

92Y VIRTUAL CAMP jr LIVE

CAMPTIVITIES

Adventure Course

It's time to test your skills as we build our own obstacle course using household items! Finding objects around the house, we'll create an obstacle course for the whole family to try!

Arts, Books, and More

Join us for a relaxing and joyful class as we create art together. Each class begins with a children's book followed by an art activity inspired by the story. Basic supply list includes your choice of a few paint colors, a brush, glue, children's scissors and construction paper.

Arts and Crafts

Have a budding artist at home? Through a creative mix of painting, drawing, crafting, and tie dye, children will have the chance to get their creative juices flowing.

Camp Shabbat

Let's end the week as a camp community to coming together to sing some traditional camp songs as well as some Shabbat favorites.

Cooking

Partaking in the making of food encourages children to eat what they create. Your child will create easy-to-make, healthy breakfasts and snacks such as yogurt parfaits, smiley face sandwiches, trail mix, fruit kebabs and dips.

Creative Broadway Kids

If your little one loves to sing and dance, this fully-immersive virtual program is a game-changer. It's the perfect introduction to the magnetic and compelling world of musical theater through dance instruction, acting games, improvisation, and singing.

Dancing with Danny

Get your body moving to the music in this Israeli influenced dance class. Campers will learn dance steps that are native to Israeli dance and are inherent in other styles as well.

@Home Gardening with Grow Torah

Grow Torah takes the best of garden education and bring it right to your very own homes. Campers will learn all about new plants, seeds, fruits and vegetables while getting hands-on experience with items you have at home.

Junior & Super Tumblers

Join our Professional 92Y USA Gymnastics certified staff for this virtual, fun-filled and engaging introduction to gymnastics and movement class.

Ninja Kids

Join Nija/ Pakrou professionals for a fun-filled and engaging introduction to Ninja/Parkour. Learn new skills that help to develop gross motor skills through a series of basic Ninja/ Parkour progressions.

Music with Jody

Join Jody Doomchin from the 92Y Nursery School for a virtual singalong. We will sing traditional and popular songs, move our bodies, learn seasonal chants and finger plays, and have lots of summer themed musical fun!

Story Time with the Parenting Center

Snuggle up in a cozy spot and get ready to relax and read classic children's literature with Parenting Center Educators.

Virtual GymMaze Playtime

Make believe you are back in the GymMaze at 92Y by moving through fun gymnastics- like obstacle courses in your very own home! Playtimes include interactive and physical education-type games and stories that promote hand-eye coordination, balance, strength, power and flexibility.

Yoga

Unwind, relax, and stretch with Lil Yogis! Join us as we lean new yoga poses, practice mindfulness, and stretch our bodies.
