# 92Y VIRTUAL CAMP jr LIVE

## CAMPTIVITIES

### 92Y Sing, Dance, and Play

Join us for an interactive virtual class that will keep your little one engaged and inspired. This innovative program includes singing, dancing, stories, and fun! Each class will include a mixture of familiar songs and new adventures for your little one to explore during class.

### Arts, Books, and More

Join us for a relaxing and joyful class as we create art together. Each class begins with a children's book followed by an art activity inspired by the story. Basic supply list includes your choice of a few paint colors, a brush, glue, children's scissors and construction paper.

### Arts and Crafts

Have a budding artist at home? Through a creative mix of painting, drawing, crafting, and tie dye, children will have the chance to get their creative juices flowing.

### @Home Gardening with Grow Torah

Grow Torah takes the best of garden education and bring its right to your very own homes. Children will learn all about new plants, seeds, fruits and vegetables while getting hands-on experience with items you have at home.

### Broadway Jazz

Focusing on the playful, passionate, outgoing style of musical theater, Broadway Jazz weaves together fundamentals of ballet, jazz and contemporary dance to develop strong foundational technique.

### Cooking with Tracey

Partaking in the making of food encourages children to eat what they create. Your child will create easy-to-make, healthy breakfasts and snacks such as yogurt parfaits, smiley face sandwiches, trail mix, fruit kebabs and dips.

### Dancing with Danny

Get your body moving to the music in this Israeli influenced dance class. Campers will learn dance steps that are native to Israeli dance and are inherent in other styles as well.

### Fitness Fun

Join our coaches for a high-energy non-stop fitness campativity that will keep your campers moving, gaining strength, balance, and maybe even some endurance!

### Junior & Super Tumblers

Join our Professional 92Y USA Gymnastics certified staff for this virtual, fun-filled and engaging introduction to gymnastics and movement class.

### Music with Jody

Join Jody Doomchin from the 92Y Nursery School for a virtual singalong. We will sing traditional and popular songs, move our bodies, learn seasonal chants and finger plays, and have lots of summer themed musical fun!

### Ninja Kids

Join Ninja/Parkour professionals for a fun-filled and engaging introduction to Ninja/Parkour. Learn new skills that help to develop gross motor skills through a series of basic Ninja/Parkour progressions.

### Scavenger Hunt

Join international super spy Doctor Goose Goon as we solve this week's mystery. The clues may require you to find household objects, move around, or know simple trivia. What kind of adventure will you go on this week?

### Shababa

Join Rebecca Schoffer (and her puppets!) for an interactive, joyful Shabbat celebration, filled with singing, dancing, and meaningful lessons to carry us through this time. Gather round with the family and get ready to rock your way into Shabbat! \*Rebecca Schoffer is 92Y's Director of Jewish Family Engagement and the leader of the Shababa community.

### Story Time with the Parenting Center

Snuggle up in a cozy spot and get ready to relax and read classic children's literature with Parenting Center Educators.
