We proudly commit to enhancing the remarkable meaning, purpose and substance of Jewish identity and the infusion of Jewish life in our broader society. We fearlessly address challenging current issues and fervently provide opportunities for attaining knowledge, celebrating Jewish culture, engaging with the people and State of Israel and the gathering of and service to community locally and around the world.

EACH OF US HAS A NAME

Each of us has a name given by God and given by our parents
Each of us has a name given by our stature and our smile and given by what we wear
Each of us has a name given by the mountains and given by our walls
Each of us has a name given by the stars and given by our neighbors
Each of us has a name given by our sins and given by our longing
Each of us has a name given by our enemies and given by our love
Each of us has a name given by our celebrations and given by our work
Each of us has a name given by the seasons and given by our blindness
Each of us has a name given by the sea and given by our death.
