All Ceramic Classes: Handbuilding and/or Wheel

The ceramics studios at 92Y are some of the best-equipped in NYC. A gas reduction kiln, three electric kilns and 25 electric wheels offer potters, artists and hobbyists unlimited opportunities to create unique works of art. The ceramic studios use stoneware in the fall and spring, and porcelain in the summer (glaze-fired to cone 10).

Supplies Needed:

1)  

2) Apron

3) Towel (optional)

*The tools pictures in (1) are for sale in your class for $25 as well as aprons for $16
